

**Message from Principal Sanders:**

Happy New Year VCP Cougars! We made it through 2020 and I am grateful to be alive and well. My prayer is that each of you take time to reflect on the "good" things that have happened throughout the past year. While many will say, it was an awful year, I push you to see the good in being alive!

We have made it to the second half of this school year. Work hard to successfully complete all assignments. Each of you are capable of academic success. I expect for all of you to put your best foot forward. Remember to email me if you have any questions or concerns: [psanders@voyageurcollegeprep.com](mailto:psanders@voyageurcollegeprep.com)
