

Message from Principal Sanders:

VCP students, you have successfully completed three weeks of school! I am proud of the effort and hard work you all have been putting in. The phone lines were going crazy for the first few days and that means your families were eager to get students ready for virtual learning. Get ready for the rigor to increase in each of your classes and always put your best foot forward in everything you do!

Instructional Reminders:

Office hours are used to provide students with tutoring and instructional support for students. Teachers hold office hours via zoom on Monday through Thursday from 8:00 am to 8:45 am and on Fridays during designated time periods.

All teachers at VCP utilize the Remind 101 to communicate with students and parents. Reach out to your scholars teacher if you would like to receive these messages from their teachers.

*Seniors: the SAT test for senior students will be October 14, 2020. Students will receive email and google classroom notification concerning the arrival time and test day procedures..
